The DCB Montana business centre is the first step into a vibrant business area, just 12 min from the city centre and near the highway.

The interior atrium offers natural light for all office spaces. It gives light to the internal office space on the lower floors and open magnificent views of the city centre and the mountains for the upper floors.

Offices: Offices are located from the 1st to the 9th floor around the atrium and are accessible via an open or closed hallway. Each floor can be divided into 3 to 4 units, most of which are 200 m². The floor can be rented out, also as one unit or even as part of a multi-storey unit - in case it is connected to other floors via additional stairs. Each office unit has its own kitchenette, toilets are shared. It is also possible to rearrange the unit so that these have additional internal toilets that are connect to the vertical sanitary shafts.

VIP offices: On the 9th floor there are VIP offices, which differ from the others as each unit has its own kitchenette and toilets.

Terraces on the floors: On the 2nd and 6th floors there is a larger covered outdoor terrace, which is intended for all employees in business premises.

Meeting rooms - congress centre: Common meeting rooms or a smaller convention centre is located on the ground floor. It consists of four meeting rooms that can be connected into a single space. Meeting rooms are intended for tenants of offices in the building and also for rent out to external users. Part of the congress centre is also a gallery-multipurpose hall on the ground floor, which can be used as a space for meetings and events.

Entrance hall with reception: On the ground floor the multi-storey atrium ends with an entrance hall. In the lobby, there is an access control room next to the core of the elevator. The lobby can be used for social events such as receptions or exhibitions and is well connected to the gallery. There is also a reception area at the entrance.

Restaurant with café and terrace: On the ground floor on the east side of the building there is a restaurant and café, which opens onto the outdoor terrace.

Recreation centre: In the basement there is a recreation centre. The rooms are naturally lit through an outside patio on the far east side.

Garage and bicycle shed: The garage consists of three basements. The first basement is publicly accessible, can be used by visitors. The second and third basements are intended for internal use only.
