Location

The house is located in a well-maintained and tranquil area, with all essential infrastructure approximately 5 km away.

- Radovljica: 5 km (5-8 minutes' drive)
- Bled: 11 km (approx. 15 minutes' drive)
- Motorway access: 10 minutes

Radovljica is one of the most popular and well-kept towns in the Gorenjska region, known for its charming old town center, excellent quality of life, and proximity to nature. The town offers all necessary infrastructure for comfortable everyday living—primary and secondary schools, kindergartens, a health center, shops, restaurants, and cultural and sports activities.

Thanks to its exceptional location between Bled, Kranj, and Ljubljana, as well as quick access to the motorway, Radovljica is an excellent choice for families and individuals seeking a peaceful environment with good transport connections. Lovers of an active lifestyle will appreciate the numerous walking and cycling paths, the nearby Julian Alps, and the Sava and Radovna rivers.

Radovljica combines tranquility, order, and a close connection to nature while offering all the advantages of a modern town—an ideal location for quality living or a long-term investment.
